

The New Croft Club Newsletter September 2011

Welcome!

Here we go again! After a very busy summer The New Croft After School Club has hit the ground running. We are already full on two days a week and expect that to be four days a week by Christmas. Lots of new faces and everyone seems to be settling in quickly and happily.

Holiday Club

We apologise to everyone that we turned away towards the end of the summer holiday club. We couldn't believe how much we were in demand (and this is only the second year of running all summer). Bookings are already coming in for the half term week and so please, please get your bookings in early to avoid problems! Please see over for all holiday club dates for this school year. Booking forms are available in the club.

Contact details

In order to save you time and energy, we will not expect you to fill a new registration form each year. However we will be showing you last year's form in order for you to check that we have all current information. Will all parents of children with allergies please check that medical details are up to date and medicines are not out of date.

Gil heads for pastures new!!

As many of you will know already I will be heading for Bulgaria next spring. After many years (14 to be precise) of looking after your gorgeous children at the club, I am heading off to try living "The Good Life": donkey rides to collect my drinking water, growing my own veggies etc, etc! I am leaving the club in the very capable hands of Maureen and Angelina. I will be popping back to see your lovely children from time to time and also using Skype with Maureen daily. The handover should be very smooth and I will let you know closer to the time if there are to be any changes to club contact details.
